

ACS COMPANY PROFILE PRESENTAZIONE ACS

.ACS has been in the drycleaning logistics and automation industry for over 20 years, engineering, manufacturing and delivering tailored and cost-efficient systems to the laundry, construction, textile and entertainment trades.

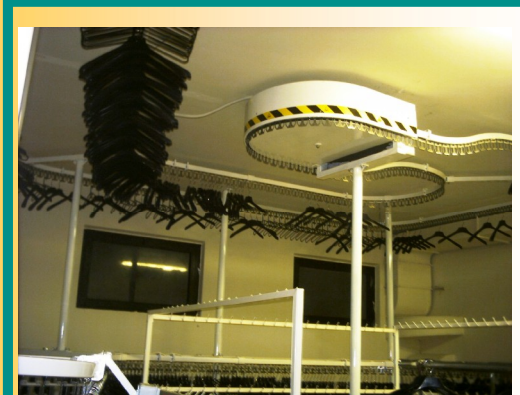

We believe in customers satisfaction and constant innovation; our products make our customers happy, by controlling their costs and making their organisation efficient. ACS Conveyors give the possibility to stock many garments in minimum space. Any shape is possible "I" ; "L", "U", "T", "X" and "S" on drawing dimensions.

Family owned and run ACS has set up an efficient sales network, through distributors and reps in major output markets : Italy Europe, Arab Emirates, Latin America.
